Attachment 1 is a proposed Office of Personnel Memorandum (OPM) on subject.

Policy and Review Staff/OP, has asked that the Office of Security review this proposed publication, (since the Office of Security has an active role in the reemployment process), and respond by 15 May 1985. (OMS has already concurred, and OGC will review it next.)

The C/OPS/PSI reviewed this OPM and offered no objection to its being published in its present form. He indicated that it would not be advisable for OS to be more specific, and make a blanket statement

as OMS has done (in paragraph 10), relative to physical examinations.

All available background info is included herewith as the BASIC.

With your concurrence, a prepared statement, from the Office of Security, will be forwarded to OP posing no objection to the publication of this OPM (Attachment 2.)

Your signature is requested.
